

# UNIQUE ESTONIAN DESIGN AND STORY HOTEL SOLO SOKOS HOTEL ESTORIA

*The Estoria hotel is a private oasis in the center of the city for both business meetings and a peaceful retreat. Contributing to a perfectly-functioning environment and service allows you to enjoy every moment spent in the hotel. In addition, guests are invited into an engaging view of Estonia and Estonian history stories in a completely unique way.*

- Three-story hotel in the heart of Tallinn.
- 93 rooms, all Superior class.
- Each floor has its own Coffee Lounge with snacks and a book corner.
- Direct access to the conference center, restaurants and shopping center.
- **Breakfast served in Estoria was declared by far the best among the hotels in Tallinn.** Breakfast, the most important meal of the day, has been developed in collaboration with Estonian nutritionists, made from pure raw materials to be healthy and abundant with service at a dining table or in your room.
- Elements of Estonian design were tailored into the interior design by **Sigrid Valgma**, an interior decorator.

#### **Luxury accessories in every room include:**

- A luxury mattress made of material developed by NASA to improve blood circulation of the skin;
- Choice of three pillows of different texture from the pillow menu;
- Cupsolo coffee maker with espresso, latte, classic coffee, cocoa and a selection of teas; complimentary water.
- Mini-bar with Estonian goods and bathroom cosmetics designed for the needs of the demanding business traveller.
- Cozy bathrobes and slippers.

- First Estonian story telling design hotel - Solo Sokos Hotel Estoria! You'll find interesting stories and Estonian interior design everywhere in the hotel.
- Solo Sokos Hotel Estoria made it to the TOP 5 on TripAdvisor's list of best hotels in Estonia!

In every room, one of the many Estonian organizations tells an intriguing story introducing Estonia and guests encounter stories at every step throughout the hotel. For a business client, a better understanding of their local partner is an immediate need, but also for the vacationing customer, Estonian stories will provide a significant added value.

Did you know that the world's first public Christmas tree was erected in Tallinn in 1441 or that the world's oldest firearm the „Otepää Gun“ is from Estonia? That artificial rubber was synthesized in the University of Tartu in 1901 or that 96% of Estonians submit their tax returns in the e-tax office with only about 10 min?

The sources of Estonian stories: Estonian Art Museum, Estonian National Opera, Estonian Olympic Committee, Song Festival Foundation, Museums of Virumaa, Themepark Lottemaa, Puppet Theatre and Museum, Tallinn Music Week and many many others throughout Estonia.

The high level hotel services at Estoria and the exciting stories provide every guest of the hotel a golden key to Estonia.
