Towers and parks of Tallin Old Town (3 hrs)

With 1.9km of its original city wall and 20 defensive towers wall still standing, Tallinn boasts one of Europe's best preserved medieval fortifications. First we will visit Tower's Square unique Flower Festival in Old Town, which presents different garden models and the horseshoe-shaped Kõismäe Tower. After that we will visit exhibition in Kiek in de Kõk Tower and Bastions which takes the visitor back in time on an entertaining and informative journey that begins in 1219. Program can be extended with visits coffee breaks at the In the Virgin Tower.

Including: guide and coach service, entrances to Kiek in de Kõk Tower and Bastions, Kõismäe Tower and Flower festival Towers' square.

Flower Festival in Tallinn: May - August

Tallinn Town Wall and Towers (2hrs)

The defence system of Tallinn with its 66 towers was by 16th century one of the most powerful in Northern Europe. Medieval fortress was as a closed defence system. The portion of the wall that has survived is two kilometres long, encompassing 26 of the original towers.

This tour introduces the part of the Tallinn Old Town, which is usually not seen and visited. You will see and hear stories about medieval fortifications and visit one of them called Kõismäe Tower where on top floor you can enjoy the spectacular view over the city. While listening the stories about the Hanseatic life in this horseshoe shaped tower you can mint your own lucky coin and taste the famous Estonian liquor Vana Tallinn.

The tour can be combined with the Kiek-in-de-Kõk and Bastion tunnels tour or coffee breaks at the In the Virgin Tower.

Tallinn 800 - from stronghold to town (1,5h)

A walk through the Tallinn of the Danish period. The tour starts at Kiek in de Kõk with the exhibition about the Battle of Lyndanisse "Dannebrog and Estonia 1219-2019". We continue to the Danish King's Garden, where according to legend the red and white Dannebrog fell from the sky. Walking through the Old Town, we will talk about how the appearance of the city started to develop during the 13th century - churches and cloisters, citizens' homes and the initial defensive wall. The tour takes 1.5 hours and ends at the exhibition "From stronghold to town" at Tallinn City Museum.

Including: guide service, admission to the two exhibitions.

For supplement meal at the Maiden Tower

Teambuilding programs in Tallinn Old Town

Old Town Adventure (2 hrs)

First, the participants are divided into small groups (3-5 persons in the each team). The goal is to find answers to the Old Town related questions. Each team gets electronic device that leads them around the streets. The questions pop up automatically when the group reaches the question point. Team members need to work together and be attentive in order to find the right answer from the multiple choice selection.

Language: The game can be played in Estonian, Finnish, English, Russian, German and Norwegian

LOQUIZ Time (2 hrs)

Loquiz is a particular team game on the field, which is won by the team that answers the fewest number of questions! The game is led by a tablet computer, but there is also a lot of physical movement on the landscape. In this game a 5-member team needs to create a workable strategy, constantly make decisions for direction and suitable strategy, be ready to take risks and challenge their knowledge. Loquiz is the game with original cheme where the best strategist wins!

The game can be conducted in Estonian, English, Russian and Finnish

Photo Hunt (2,5 hrs)

Your team has to find the right location and make a creative photo according to the caption. The aim is to enjoy, have fun and of course to beat the other teams with the funnier pictures. The orienteering hunt outside will follow by the viewing of the photos on a big screen. You will enjoy the unique scenes, creative compositions and hilarious faces in peculiar situations. This game will definitely melt the ice between your teammates!

Photo hunt 2 can be ordered in Estonian, English, Finnish, Russian

Film Festival (3 hrs)

Film Festival is a great team building game. It is super easy to create a Film company and shoot movies. It definitely brings out creativity and good humour of your colleagues and friends. According to the game story, video clips of Film Festival didn't arrive. To save the night, all participants have to create few clips to have something to watch on a big screen in the evening. At this game, we are not looking for a new talent, so good actor skills are not priority. It's a fun entertaining game where support of all team members is essential. It doesn't matter if you are an actor, a camera man or a screen writer. All that matters is that you work in a team and have fun. The goal is to shoot 5 video clips and to enjoy the game!
